- The City Office of Toruń
- The Kujawsko-Pomorskie Branch of the Association „The Polish Commonwealth” in Toruń

AIMS OF THE COMPETITION:

- getting children and young people interested in environmental issues and the surrounding nature,
- developing the creativity, sensitivity and artistic imagination of the competition participants,
- promoting schools, kindergartens, cultural centers, and art studios which are involved in creative activities,
- the post-competition exhibition is an exchange of experiences and methods of creative art among instructors and visual art teachers, and review of original art works by children and young people from different parts of the world.

TOPIC: "WATER - LIFE AND ELEMENT"

- WATER-** means not only bodies of water: streams, rivers, lakes, seas and oceans.
- WATER-** is also an essential component of broadly perceived life on earth- without it, the world of flora, fauna and people would not exist. It is present in every manifestation of people's lives:
 - their daily existence: home, family, school, work, entertainment,
 - their other intellectual activities: science, art, medicine, industry, communication,....

- Some occupations are also associated with water:
 - jobs: fisherman, diver, seaman, sailor, plumber, firefighter,...
 - sports: swimming, sailing, skiing, snowboarding, surfing,...
 - and recreation: tourism, beaches, swimming,...
- WATER-** means its various physical states: clouds, fog, rain, hail, snow, ice,...
- WATER-** or a lack of it - means shaping the landscapes of the continents:
 - erosion of rocks, deserts, steppes, glaciers,....

- WATER-** is not only a life-giving force, it is also a destructive power- **ELEMENT WATER-** means cataclysms: storms, thunderstorms, squalls, floods, and tsunamis, blizzards, glaciations,....
- WATER-** means all aspects of life,
 - it is all that happens between the sky and the earth,
 - it means "ALWAYS GREEN, ALWAYS BLUE".
